Greetings,

As your PEF Council Leader it is my pleasure to inform you of what’s happening in our local PEF Division.

As I write this, PEF Executive Board has just voted to accept the new tentative contract. Up to date details can be obtain on the WWW.PEF.ORG website. Just navigate to the Contract section to see what is on the table. Ballots will be mailed to members for final approval. Local contract meetings for members will be on March 14th, 2008 at Twin Trees. Timings to be confirmed.

After numerous requests from members, we have been able to change our annual **Clambake** at Hinerwadel’s to a Saturday afternoon. It will also be of five hour duration instead of the previous four hour evening option. So mark **Saturday May 10th, 2008** on your calendar’s. Timings will be 1pm to 6pm. Look forward to seeing you there.

On the next page are the names of your volunteer stewards who are able to assist with any questions you have appertaining to the union.

In conjunction with this newsletter we also have a local website; www.syrpef.org

This is where you can find local details about *YOUR* union. Log on and check it out.

Are your children going to college this year? Look at our new Scholarships for college freshmen. Details on www.syrpef.org.

Nurses Rally, Albany-Tuesday June 10 2008

Book your free tickets on the bus to Albany. Families and friends welcome. Lunch and refreshments provided. Let your State Lawmakers know

what you think of Nursing Mandatory Overtime.

Now is the time to schedule your off duty to ensure your time off. If possible, change your pass days, as this day is during the Summer Vacation Period.

Let the lawmakers know that we are not willing to continue letting our families suffer due to nurses not being allowed to go home at the end of a scheduled shift. Stop Mandatory Overtime now. Pass the Message on. **BE THERE!**

Call the Divisional Office for your ticket. 315 464 8926.
